THE
EQUITABLE LIFE
ASSURANCE SOCIETY
—OF THE—
UNITED STATES.

ASSETS,	- - - - -	\$150,000,000
SURPLUS,	- - - - -	\$31,000,000
NEW BUSINESS, 1892	- - - - -	\$204,000,000

Incontestible Clause Inserted in the Equitable's

Latest Form of Policy:

"After one year from the date of issue, the only conditions which shall be binding on the holder of the policy are that he shall pay the premiums and observe the regulations of the Society as to age and service in war. In all other respects, if the policy matures after the expiration of the said year, the policy shall be **INDISPUTABLE.**"

Add to the above facts:

1st. That the Equitable has the largest surplus. 2nd. Does the largest business. 3rd. Has the most insurance in force of any company in the world. 4th. That the 20-year Tontine policies of the Equitable now maturing show dividends of 65 to 70 per cent of all premiums paid, and you will see why **YOU** should insure in the **EQUITABLE.**
